

Meringue Baby Blanket  
Designed by Mary Self

# Meringue Baby Blanket

A blanket designed to be easy, you just keep crocheting until you have used all of one ball then you start the next.

## Materials:

1 x Strand 100gm Ball in lightest colour (Almost White Peach - 505, Almost White Teal - 504)

1 x Strand 100gm Ball in slightly darker colour (Titoki Pink - 491, Puka Peacock - 391)

For Larger Size, 1 more Strand 100gm ball in a slightly darker colour (Puka Peacock - 392)

3.5mm Crochet Hook

## Measurements:

60cm x 60cm, 70cm x 70cm

**Before you give a gift made with Strand Yarn, make a label to attach.**

Knitted by \_\_\_\_\_

Size \_\_\_\_\_

Yarn: Strand Super Fine Yarn (50%Wool/50% Mohair)

Washing Instructions: Hand wash with a pure gentle soap such as lux flakes or Soak

## Abbreviations

ch: chain

sl st : slip stitch

st(s): stitch(es)

dc: double crochet

tr: treble

The main pattern is based on clusters of 3 trebles

## To Make

**Round 1:** 6 ch, sl st into 1st ch to form a ring, 3 ch, 11 tr into ring, sl st into beg 3 ch to join up.

**Round 2:** 3 ch (counts as 1st treble), 2 tr into same st, 1 ch, 3 tr into same st, \*skip over a cluster of 3 trebles, 3 tr into next corner, 1 ch, 3 tr into same st, repeat from \* 2 more times, sl st into beg 3 ch to join up.

**Round 3:** 3 ch 3 (counts as 1st treble), 2 tr into same st, 1 ch, 3 tr into same st, skip over a cluster of 3 trebles, 3 tr into next st, \*\* skip over a cluster of 3 trebles, 3 tr into next corner 1 ch, 3 tr into same st, skip over a cluster of 3 trebles, 3tr into next st, repeat from \*\* 2 more times, sl st into beg 3 ch to join up.

**Continue in this manner until first ball is used up completing a round.** 27 - 28 rounds

Add next colour and continue for a further 8 - 10 rounds.

**For larger size:** add next colour and continue for a further 5 -6 rounds.

**All sizes:** Last 2 rounds: With same colour as last round, DC into each stitch, In each corner work 1 dc, 1 ch, 1 dc.

**Handy Tip:** Sometimes the square can start to twist, this can be avoided by turning the square over after each round, thus alternating the direction of each round, therefore counteracting the twist.
